

12th Annual Carillon Park Rail Festival
and
7 ½" Gauge Meet

Saturday June 24, 2017: 9:30 am to 5:00 pm
Sunday June 25, 2017: 11:00 am to 4:00 pm
at
Carillon Historical Park, Dayton, Ohio

Attention Vendors, Model Railroad Groups, Historical Societies, and other railroad related groups!

The Carillon Rail & Steam Society and Carillon Historical Park are again sponsoring a two-day, open-air Rail Festival at beautiful Carillon Historical Park, 1000 Carillon Blvd., Dayton, Ohio, and we would like to invite you to participate. Normally we have over 5,000 people attend, and we hope to have even more this year. This is a yearly event held on the weekend following Father's Day.

Vendor/dealers will mainly be located outside in a large circus-type tent (s), with sides that can be closed at night and, if necessary, because of weather. We are placing this in the highest possible traffic area just south of the main entrance. If you desire a specific table arrangement, please let us know. We have a few locations inside some buildings for setups of one or two tables by special request. In the past crowds have been made up of a lot of families with kids coming to the park to ride the trains. This large vendor area has become a regular part of the show, as we are trying to enlarge the event and bring in more model railroaders and railfans. With your help we would like to make this one of the area's premier rail events.

Model Railroad, Historical Societies, and other non-profit groups will use space inside the various buildings throughout the park to set up their layout/displays. Space is limited and priority is given to previous year participants. Note: Previous year participants must register by April 1st in order to reserve the same space.

Garden Railroad groups -- there is plenty of outdoor space. If you would like the same location as last year you must also register as soon as possible.

Any exhibitor/group or vendor/dealer can rent a 10x10 square space outdoors, with optional tables and chairs. You are responsible for supplying your own canopy for cover. These are usually set up along the road on the south side inside the park.

Contact David Oroszi, david.oroszi@usa.net, phone 937-238-5655 if there are any questions. Payment is required with application; make checks payable to **CPR&SS**. Just fill out the Application Form and mail it with a check to the address indicated.

All participants must be related to the model railroad hobby, railfanning or railroadiana.
